

## DONATION FORM

The purpose of our Society is to preserve and protect the natural, historic and economic values of Gardom Lake and its surrounding foreshore and watershed.

The current membership policy is that an initial membership fee is paid and the membership is ongoing until a member asks to be removed.

We encourage and greatly appreciate donations of any size at anytime to help us continue our work.

Here are some of the projects and activities carried out by our Society over the past thirty years with the help of dedicated local volunteers and the following organizations, businesses, government agencies and groups: BC Wildlife Federation, Ministry of Transportation and Infrastructure, Columbia Shuswap Regional District, Shuswap Watershed Council, Fraser Basin Council, BeeJay's Excavating Ltd., Landmark Excavating Ltd., and Splat's Shihya School:

- Creation and expansion of wetlands and ephemeral ponds on Gardom Lake Creek adjacent to Musgrave Road
- Creation of three painted turtle nesting sites
- Coordination of invasive weed removal
- Water quality testing above and below the wetlands
- Water quality testing in Gardom Lake
- Educational activities with school groups at the wetlands
- Strong support for the protection of Gardom Lake's watershed on Mallory Ridge

Name \_\_\_\_\_

Email Address (so we can send a receipt and thank you!) \_\_\_\_\_

Donation Amount \_\_\_\_\_ (not tax deductible)

Please send a scan or photo of this form to [gardomlakestewards@gmail.com](mailto:gardomlakestewards@gmail.com) and e-transfer the total amount to the same email address. Alternatively, this form and a cheque can be mailed to Gardom Lake Stewardship Society c/o 780 Grange Road, Enderby, BC V4Y-4H7

**THANK YOU FOR YOUR SUPPORT!**
